TA:	6.2 g/l
pH:	3.68
Price:	\$120

Winemaker Comments:

Taylor's Cab is a labor of love, inspired by our beautiful daughter, Taylor Lynn Ledson. Crafted from the esteemed Mountain Terraces vineyard, this Cabernet Sauvignon stands as a testament to nature's artistry and meticulous care. Sourced primarily from Block 10, with its rich brown Andesite soil to red Basalt soil and minimal rock, this vineyard thrives at a 20-degree angle off north. The high elevation and gentle day-to-night temperature shifts allow the grapes to reach their full potential, resulting in concentrated, elegant fruit flavors. The harmonious blend of exceptional location, diverse soils, and a temperate climate, all enhanced by sustainable farming practices, creates a wine that reflects not only the land but also the essence of our family.

Just as the beauty of this Cabernet runs deep, so too does the meaning behind its name. True beauty is not just skin deep; it's found in how you carry yourself—in your walk, your talk, and your respect for others, which in turn earns their respect. A beautiful person is a rare treasure, much like this exquisite wine, which reveals its unique character with exquisite complexity and a lingering finish. A classic from Mountain Terraces, Taylor's Cab is destined for a long and graceful evolution, reminding us that such wonders do not come along every day. Together, they embody the love, warmth, and richness of our family's journey.
